1. **AUTHORITY.** The Association of REALTORS® shall maintain for the use of licensed real estate brokers, salespersons and licensed or certified appraisers a Multiple Listing Service (hereinafter also referred to as "MLS" or "service"), which shall be subject to the bylaws of the Association of REALTORS® and such rules and regulations as may be hereinafter adopted by the Board of Directors.
2. **PURPOSE.** A Multiple Listing Service is a means by which cooperation among Participants is enhanced; a means by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals analyses and other valuations of real property for bona fide clients and customers; a means by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information among the Participants so that they may better serve their clients and the public.
3. **MULTIPLE LISTING SERVICE COMMITTEE.** The Multiple Listing Service shall be governed by the Multiple Listing Service committee in accordance with the bylaws of the Association and such rules and regulations as adopted by the Board of Directors. All actions shall be subject to the approval of the Board of Directors.
4. **PARTICIPATION AND AUTHORIZED ACCESS.**

4.1 Participant. A Participant is any individual who applies and is accepted by the MLS, meets and continues to meet all of the following requirements of either a Broker Participant or an Appraiser Participant as defined below in sections 4.1.1 and 4.1.2.

4.1.1 Broker Participant. A Broker Participant is a participant who meets the following requirements:

- (a) The individual or corporation, for which the individual acts as a broker/officer, holds a valid California real estate broker's license;
- (b) The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal;
- (c) The individual or corporation for which the individual acts as a broker/officer cooperates with other brokers*.
- (d) The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- (e) The individual pays all applicable MLS fees; and
- (f) The individual agrees to watch an online training webinar or attend a live training within 30 days after access has been provided. Individual to be given the opportunity to complete any mandated orientation program remotely.

* Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm cooperates means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS, shares information on listed property, and makes property available to other brokers for showing to prospective purchasers and tenants when it is in the best interest of their client(s) "Actively" means on a continual and on-going basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who had not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to cooperate with respect to properties of the type that are listed in the MLS in which participation is sought. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their client(s). This

requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website (“VOW”) [See Rule 13.19] (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to cooperate. An MLS may evaluate whether a Participant or potential Participant “actively endeavors during the operation of its real estate business” to cooperate only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so.

These requirements shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

4.1.2 Appraiser Participant. An Appraiser Participant is a Participant who meets the following requirements:

- (a) The individual holds a valid California Appraisers certification or license, appraiser apprentice certification or license issued by the Bureau of Real Estate Appraisers (“BREA”) (also referred to as “Office” of Real Estate Appraisers or OREA); and
- (b) The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal; and
- (c) The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- (d) The individual pays all applicable MLS fees; and
- (d) The individual agrees to watch an online training webinar or attend a live training within 30 days after the access has been provided. Individual to be given the opportunity to complete any mandated orientation program remotely.

4.1.3 Redundant Participation Qualifications. Participant type (Broker or Appraiser) must be selected during application for participation. A Participant with both a California Real Estate Broker’s license and a California Appraiser’s certification or license must join as a “Broker Participant” to be a listing broker under Section 4.7 or a buyer broker under Section 4.8.

4.2 Subscriber. A Subscriber is an individual who applies and is accepted by the MLS, meets and continues to meet all the following requirements of either a R.E. Subscriber or Appraiser Subscriber as defined below in sections 4.2.1 and 4.2.2:

4.2.1 Real Estate Subscriber. A R.E. Subscriber who meets all of the following requirements:

- (a) The individual holds a valid California real estate salesperson’s or broker’s license;
- (b) The individual is employed by or affiliated as an independent contractor with a Broker Participant ;
- (c) The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended;
- (d) The individual pays all applicable MLS fees; and
- (e) The individual agrees to watch an online training webinar or attend a live training within 30 days after access has been provided. Individual to be given the opportunity to complete any mandated orientation program remotely.

4.2.2 Appraiser Subscriber. An Appraiser Subscriber is a Subscriber who meets all of the following requirements.

- (a) The individual holds a valid California real estate Appraiser’s certification or license issued by the BREA;
- (b) The individual is employed by or affiliated as an independent contractor with an Appraiser Participant;
- (c) The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended;
- (d) The individual pays all applicable MLS fees; and
- (e) The individual agrees to watch an online training webinar or attend a live training within 30 days after access has been provided. Individual to be given the opportunity to complete any mandated orientation program remotely.

4.2.3 Redundant Subscriber Qualifications. Subscriber type, real estate or appraiser, must correlate to the Participant type. A Subscriber who is both a California Real Estate Licensee and a California certified or licensed appraiser must join as a R.E. Subscriber, unless their employing or affiliated Participant is an Appraiser Participant.

4.3 Clerical Users. Clerical Users are Individuals (whether licensed or unlicensed) under the direct supervision of an MLS Participant or Subscriber that perform only administrative and clerical tasks that do not require a real estate license or an Appraiser's certificate or license. Clerical Users may join the MLS through their employing Participant or Subscriber. The Participant shall be responsible for the conduct of the Clerical User. Clerical Users shall be linked in the system to at least one Participant. They may also be linked to a particular Subscriber. Each Participant and Subscriber shall provide the MLS with a list of all Clerical Users employed by or affiliated as independent contractors with the Participant or Subscriber and shall immediately notify the MLS of any changes, additions or deletions from the list. Clerical Users shall also be subject to the following requirements:

- (a) Clerical Users are given a unique passcode;
- (b) Clerical Users must have any fees paid in full
- (c) Participant or Subscriber linked to the Clerical User may be fined, disciplined or terminated for Clerical User's misconduct;
- (d) Clerical Users shall sign a written agreement to abide by the rules and regulations of the MLS; and
- (e) Clerical Users agree to watch an online training webinar or attend a live training within 30 days after access has been provided Individual to be given the opportunity to complete any mandated orientation program remotely.

4.4 Notification of Licensees. Each Participant shall provide the MLS with a list of all real estate licensees, or certified or licensed appraisers employed by or affiliated as independent contractors with such Participant or with such Participant's firm and shall immediately notify the MLS of any changes, additions or deletions from the list. This list shall include any licensees under any broker associate affiliated with the Participant.

4.5 Participation Not Transferable. Participation in the MLS is on an individual basis and may not be transferred or sold to any corporation, firm or other individual. Any reimbursement due of MLS fees is a matter of negotiation between those transferring the business or determined by internal contract arrangement within the firm. However, providing the first Participant consents, the Association shall allow a firm to designate a different person as a Participant within the firm without additional initial participation fees. The Association may charge an administrative fee for this service of reassigning Participants within a firm.

4.6 Listing Broker Defined. For purposes of these MLS rules, a listing broker is a Broker Participant who is also a seller's agent in accordance with Business and Professions Code 10000 et. seq. who has obtained a written listing agreement by which the broker has been authorized to act as an agent to sell or lease the property or to find or obtain a buyer or lessee. Whenever these rules refer to the listing broker, the term shall include the R.E. Subscriber, or a licensee retained by the listing broker but shall not relieve the listing broker of responsibility for the act or rule specified.

4.7 Buyer Broker Defined. For purposes of these MLS rules, a buyer broker is a Broker Participant who is also a buyer's agent as defined in Business and Professions Code 10000 et. seq. who acts in cooperation with a listing broker to find or obtain a buyer or lessee. The buyer broker may be the agent of the buyer or, if sub-agency is offered and accepted, may be the agent of the seller. Whenever these rules refer to the buyer broker, the term shall include the R.E. Subscriber or licensee retained by the buyer broker but shall not relieve that Broker Participant of responsibility for the act or rule specified.

4.8 Appraiser Defined. For purposes of these MLS rules, an appraiser is an appraiser participant, appraiser subscriber, or a licensed or certified appraiser acting for the appraiser participant or appraiser subscriber. Whenever these rules refer to the appraiser, the term shall also include the appraiser subscriber, or a licensed or certified appraiser employed by or affiliated as an independent contractor with the firm that employs the appraiser but shall not relieve the appraiser participant of responsibility for the act or rule specified.

4.9 Denied Application. In the event an application for participation in the MLS is rejected by the MLS, the applicant, and his or her broker, if applicable, will be promptly notified in writing of the reason for the rejection. The broker shall have the right to respond in writing, and to request a hearing in accordance with the *California Code of Ethic and Arbitration Manual*.

4.10 Interim Training. Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and Subscribers must be given the opportunity to complete any mandated additional training remotely.

4.11 Subject to MLS Rules. By becoming and remaining a Participant, Subscriber or Clerical User, each Participant, Subscriber and Clerical User agrees to be subject to these MLS rules and regulations, the enforcement of which are at the sole discretion of the applicable Committee/Board of Directors.

5. MLS FEES AND CHARGES.

5.1 Service Fees and Charges. The MLS committee, subject to approval of the Board of Directors, shall establish a schedule of MLS Fees applicable to the MLS, which may include the following service fees and charges:

5.1.1 Initial Participation Fee: Applicant's for MLS services may be assessed initial participation and or application fees. (Application fee of \$500 for Brokers and \$300 for Agents are assessed for participation)

5.1.2 Recurring Participation Fee: The recurring participation fee of each Broker Participant shall be an amount times the total number of (1) the Broker Participant plus (2) the number of salespersons who have access to and use of the MLS, whether licensed as brokers or salespersons, who are employed by or affiliated as independent contractors with such participant or the participant's firm. If more than one principal broker in the same firm elects to be a participant, the number of salespersons in the firm will only be used once in calculating the recurring participation fees. A Broker Participant is not obligated to pay recurring participation fees or other MLS fees and charges for real estate licensees affiliated with the Participant or the Participant's firm if such licensees work out of a branch office located outside the MLS service area of the Participant or the Participant's firm that does not participate in or otherwise use the MLS. The recurring participation fee of each Appraiser Participant shall be an amount times the total number of (1) the Appraiser Participant plus (2) the number of Appraisers who have access to and use of the MLS, who are employed by or affiliated as independent contractors with such Participant or the Participant's firm. If more than one principal Appraiser in the same firm elects to be a Participant, the number of Appraisers in the firm will only be used once in calculating the recurring participation fees. An Appraiser Participant is not obligated to pay recurring participation fees or other MLS fees and charges for licensed or certified Appraisers affiliated with the Participant or the Participant's firm if such Appraisers work out of a branch office located outside the MLS service area of the Participant or the Participant's firm that does not participate in or otherwise use the MLS. The recurring participation fee is \$100 per subscriber due January 1st of each year.

5.1.3 Listing Fee: A Broker Participant shall pay a listing fee of \$5.00 for each listing submitted by the Broker Participant or submitted by any R.E. Subscriber on behalf of the Participant.

5.1.4 Computer Access Fee: The monthly computer access fee of \$62.50 for each participant shall be an amount established by the MLS committee and approved by the Board of Directors equal to the total number of Subscribers and salespersons licensed or certified as Appraisers, brokers or salespersons, who are employed by or affiliated as independent contractors with such Participant.

5.1.5 Certification of Nonuse. Participants may be relieved from payment under section 5.1.2 and 5.1.5 hereunder by certifying to the MLS that a licensed or certified person in the office is engaged solely in activities that do not require a real estate license or certification (clerical, etc.), or that the real estate

licensee or licensed or certified appraiser will not use the MLS or MLS compilation in any way. H.A.R. will review all MLS Extenuating Circumstances Leave Waiver's on a case-by-case basis. In the event a real estate licensee or appraiser is found in violation of the nonuse certification, the Participant shall be subject to fees dating back to the date of the certification. The Participant and Subscriber may also be subject to any other sanction imposed for violation of MLS rules including, but not limited to a citation and suspension or termination of participation rights and access to the service.

5.1.6 Clerical Users. The Participant shall pay the applicable MLS fees for computer access and a special pass code for Clerical Users in an amount established by the MLS committee and approved by the Board of Directors. (An application fee of \$20.00 is charged for Clerical Users and a monthly \$10 computer access fee.)

5.1.7 Other Fees. Other fees that are reasonably related to the operation of the MLS may be adopted.

5.2 Responsibility for Fees. In the event the MLS allows for direct billing or payment by a Subscriber for MLS fees, such fees shall be the obligation of that Subscriber. The Subscriber may also choose to designate their MLS fees to the Participant in which they are affiliated with. If the MLS does not allow for direct billing or payment by a Subscriber for MLS fees, such fees shall be the responsibility of the Participant with whom the Subscriber was affiliated with at the time the MLS fees were incurred. This section does not preclude in any way the ability of Participants to pursue reimbursement of MLS fees from current or past Subscribers or to establish agreements with Subscribers regarding payment or reimbursement of MLS fees.

6. COMPLIANCE WITH RULES: The following action may be taken for noncompliance with rules:

6.1 Failure to comply with Any Other Rules. For failure to comply with any other rules, the provisions of Sections 16 and 17 shall apply.

7. REGIONAL AND RECIPROCAL AGREEMENTS. The MLS committee may recommend and the Board of Directors of the Association of REALTORS® may approve and enter into reciprocal or regional agreements with other Associations of REALTORS® or MLS Corporations owned solely by Associations of REALTORS® to allow the other MLS Participants and Subscribers access to the service in exchange for comparable benefits to the Participants and Subscribers of this service. In the event of such agreements, the Participants and Subscribers agree to abide by the respective rules of the other MLSs receiving and publishing a listing pursuant to such agreements and to abide by such rules when accessing the other MLSs database.

8. LISTING PROCEDURES.

8.1 Listings Subject to Rules and Regulations of the Service. Any listing filed with the service is subject to the rules and regulations of the service.

8.2 Types of Listings; Responsibility for Classification. Exclusive right to sell listings that contain any exceptions whereby the owner need not cooperate with particular individuals shall be classified for purposes of these rules as an exclusive right to sell listing, but the listing broker shall notify all participants of the exceptions. It shall be the responsibility of the submitting Broker Participant and R.E. Subscriber to classify the type of listing submitted and, if necessary, to obtain a legal opinion to determine the correct classification. The MLS shall not have an affirmative responsibility to verify such legal classifications. However, the MLS shall have the right to have legal counsel make a determination as to the classification and if the listing broker does not reclassify it accordingly, the MLS shall have the right to reject or remove any such listing that it determines falsely represents the classification of listing type.

8.2.1 Scope of Service; Limited Service Listings. Limited Service listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide one, or more, of the following services:

- (a) Provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information;
- (b) Accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s);
- (c) Advise the seller(s) as to the merits of offers to purchase;
- (d) Assist the seller(s) in developing, communicating, or presenting counteroffers; or
- (e) Participate on the seller(s) behalf in negotiations leading to the sale of the listed property; and

The first line of the public remarks must state: “This is a Minimum Service Listing, please call your agent for details. “Said Limited Service listings will be identified with an appropriate code or symbol (ex. LS) in the MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for buyer brokers being asked to provide some or all of these services to listing broker’s clients, prior to initiating efforts to show or sell the property.

8.2.2 Scope of Service; MLS Entry-Only Listings. MLS Entry-Only listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide any of the following services:

- (a) Provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information;
- (b) Accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s);
- (c) Advise the seller(s) as to the merits of offers to purchase;
- (d) Assist the seller(s) in developing, communicating, or presenting counteroffers; or
- (e) Participate on the seller(s) behalf in negotiations leading to the sale of the listed property; and

The first line of the public remarks must state: “This is a MLS Entry-Only Listing, please call your agent for details.” Said MLS Entry-Only listings will be identified with an appropriate code or symbol (ex. MLS-Only) in the MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for buyer rating brokers being asked to provide some or all of these services to listing broker’s clients, prior to initiating efforts to show or sell the property.

8.2.3 Scope of Service: Legal Obligations. The scope of service classifications set forth in these rules do not alter any obligations otherwise imposed on real estate licensees under California law including Department of Real Estate regulations, statutory law, and common law. The MLS’s acceptance or publication of listings eligible for MLS submission in no way constitutes a validation that said obligations have been met.

8.3 Types of Properties; Responsibility for Classification. The MLS shall accept listings that satisfy the requirements of these rules on the following types of property:

- 8.3.1 Residential
- 8.3.2 Multi-Family
- 8.3.3 Land
- 8.3.4 Business Opportunity/Commercial
- 8.3.5 Mobile Homes

It shall be the responsibility of the Broker Participant and R.E. Subscriber to properly classify the type of property listed, and if necessary, obtain a legal opinion to determine the correct classification. By classifying the type of property listed, the listing broker certifies that the listing falls under the classification designated. The MLS shall have no affirmative responsibility to verify the property type of any listing filed with the service. However, the MLS shall have the right to have legal counsel make a determination as to the classification of the property type and if the listing broker does not reclassify it accordingly, the MLS shall have the right to reject or remove any such listing that it determines falsely represents the classification of property type of the listing.

8.4 Compliance with California and Federal Law. Notwithstanding any other provision of these MLS rules and regulations to the contrary, the service shall accept any listing that it is required to accept under California or federal law.

8.4.1 Time Frame Definitions. Unless otherwise expressly indicated, where compliance time frames set forth "days," "days" mean calendar days; "days after" means the specified number of calendar days after the occurrence of the event specified, not counting the calendar date on which the specified event occurs, and ending at 11:59 p.m. on the final day; and "days prior" means the specified number of calendar days before the occurrence of the event specified, not counting the calendar date on which the specified event is scheduled to occur. Where "business days" are expressly referenced, "days" exclude Saturdays, Sundays and all recognized federal and state holidays. Where "business days" are expressly referenced, "days" exclude Saturdays, Sundays and all recognized federal and state holidays.

8.5 Mandatory Submission. Within 2 days after all necessary signatures of the seller(s) have been obtained on the listing or at the beginning date of the listing as specified in the contract, whichever is later, on any exclusive right to sell or seller reserved listing agreement for the sale of one to four unit residential property and vacant lots located within the service area of the MLS, Broker Participants must input the listing to the service for cooperation with other Participants. Only those listings that are within the service area of the MLS must be input. Open listings, rental listings or listings of property located outside the MLS's service area (see Section 8.7) are not required by the service but may be input at the Broker Participant's option.

8.5.1 Clear Cooperation. Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing or advertising includes, but is not limited to, conveying or displaying any information about the property or its availability for sale through or on any: windows, signs, public facing websites, social media, brokerage or franchise operated websites (including IDX and VOW), digital communications marketing (ex: email, text or phone blasts, social media messaging), multi-brokerage or franchise listing sharing networks, flyers or written material or on any applications available to the public or through conducting an open house. The public would include anyone outside the broker(s) and agent(s) licensed within a single listing brokerage and their clients, as further described in Section 8.6)

8.6 Exempted Listings. If the seller refuses to permit the listing to be disseminated by the service on any exclusive right to sell or seller reserved listing agreement for the sale of one to four unit residential property and vacant lots located within the service area of the MLS, the listing broker shall submit to the service within 1 business day after all necessary signatures of the seller(s) have been obtained on the listing agreement or at the beginning date of the listing as specified in the contract, whichever is later, a certification signed by the seller stating that the seller instructs listing broker to do no public marketing or advertising (as public marketing or advertising is defined in Section 8.5), that the only scope of permissible promotion of the property will occur internally within the brokerage and consist of direct one-on-one communication between the listing broker and licensees affiliated with the listing brokerage and their respective clients (i.e. "office exclusive") and that seller refuses to authorize the listing to be disseminated by the service. C.A.R. Standard Form SELM and/or RLA may be used for this certification, but in any event, said certification shall include the aforementioned required statements as well as an advisory to seller that, in keeping the listing off the MLS, (1) real estate agents and brokers from other real estate offices, and their buyer clients, who have access to the MLS may not be aware seller's property is for sale, (2) seller's property will not be included in the MLS's download to various real estate Internet sites that are used by the public to search for property listings, (3) real estate agents, brokers and members of the public may be unaware of the terms and conditions under which seller is marketing the property, and (4) any reduction in the exposure of the property may lower the number of offers made and negatively impact the sales price. In the event listing broker commences any public marketing or advertising on an exempted listing, submission to the MLS for dissemination is required within (1) one business day thereafter in accordance with Section 8.5.

8.7 Service Area. The MLS's service area shall be determined by the MLS Committee, subject to approve by the Board of Directors. If the Association has entered into regional MLS agreements or a regional MLS corporation with other MLSs and has enlarged the service area as part of the agreement or corporation, submission of the type of listings specified in section 8.5 is mandatory for the area covered by the combined service areas of the Associations signatory to the regional MLS agreement or part of the regional MLS corporation.

8.8 Change of Listing Information. Listing brokers shall input any change in listing information, including the listed price or other change in the original listing agreement to the MLS within forty-eight (48) hours (excepting weekends, holidays and postal holidays) after the authorized change is received by the listing broker. By submitting such changes to the MLS, the listing broker represents that the listing contract has been modified in writing to reflect such change or that the listing broker has obtained other legally sufficient written authorization to make such change. MLS tracking of price change information, if any, shall be classified as "non-confidential" for the purpose of allowing Participants and Subscribers to make such information available to clients or customers pursuant to Sections 13.15.1 (Client Copies) and 13.19 (VOWs). [Whether display of this field is permitted for advertising purposes, including IDX display set forth in Section 13.16, is at the discretion of the MLS].

8.9 Withdrawal of Listing Prior to Expiration. The listing broker may withdraw listings of property from the MLS before the expiration date of the listing agreement provided notice is filed with the service by the listing broker which authorizes the withdrawal and certifies the seller has authorized the withdrawal. The MLS may require the listing broker to provide a copy of such written permission. Sellers do not have the unilateral right to require the MLS to withdraw a listing without the listing broker's concurrence. However, the MLS reserves the right to remove a listing from the MLS data base if the seller can document that his or her listing agreement with the listing broker has been terminated or is invalid.

8.10 Contingencies. All properties with accepted offers must be pending. For contingent offers with a seller right to cancel (C), the first line of the public remarks must state "accepted contingent offer with seller right to cancel with ___ days notice from offer acceptance." These listings can be marked C for contingent and will show on active search results. There is a 3 field in the pending screen for properties awaiting third party approvals. The first line of public remarks must give an explanation, such as "Awaiting third party approval, accepting offers" or "Awaiting third party approval, no further offers will be accepted". There will be a one-email warning regarding the pending status' C and 3 having the required wording in the public remarks, after which a \$50.00 fine is assessed. (added 10/15/12)

8.11 Detail on Listings Filed with the Service. All listings input into the MLS shall be complete in every detail, as specified on the property data form including full gross listing price, listing expiration date, and any other information required to be included as determined by the MLS committee as approved by the Board of Directors. For residential listings, the property address must be input into the MLS where one exists at the time the listing is filed, or the parcel identification number must be input instead if the property address is unavailable. If no address or parcel identification number is available at the time the residential listing is filed, the listing must, at a minimum, contain a legal description of the property sufficient to describe the location of the property. Listings that are incomplete shall be ineligible for publication in the MLS and subject to immediate removal.

8.12 No Compensation Specified on MLS Listings; Participants, Subscribers, and their sellers are prohibited from making offers of compensation to buyer brokers and other buyer representatives in the MLS. Participants and Subscribers are prohibited from disclosing in the MLS, in any way, the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers). The MLS reserves the right to remove a listing from the MLS database that does not conform to the requirements of this section. This rule does not prevent sellers from offering buyer concessions on the MLS so long as such concessions are not limited to or conditioned on the retention of or payment to the Buyer Broker or other buyer representative.

8.13 Consent to Act as Dual Agent. No buyer broker shall act as both an agent of the buyer and the seller without first contacting the listing broker and ascertaining that the seller has consented to such dual agency.

8.14 *Broker Participant or Real Estate Subscriber as Principal.* If a listing broker, has any interest in property, the listing of which is to be disseminated through the service, that person shall disclose that interest on the MLS.

8.15 *Multiple Unit Properties.* All properties which are to be sold or which may be sold separately must be indicated individually in the MLS and will be published separately. When part of a listed property has been sold the listing broker shall input the appropriate changes on the MLS.

8.16 *Expiration, Extension, and Renewal of Listings.* Listings shall be changed to the appropriate off-market status on the expiration date specified on the listing unless the listing is extended or renewed by the listing broker. The listing broker shall obtain written authorization from the seller(s) before filing any extension or renewal of a listing. Any renewals or extensions received 30 days after the expiration date of the original listing shall be treated as a new listing and will be subject to any fees applicable to new listings. At any time and for any reason, the MLS has the right to request a copy of the seller's written authorization to extend or renew a listing. If a listing broker is requested to provide a copy of such authorization and does not do so within twenty-four (24) hours of the request, the listing shall be subject to immediate removal from the MLS.

8.16.1 *Extension for Protected Buyer.* In the event a listing broker's listing has been cancelled or expired but a commission extension right for a protected buyer has been timely activated in the listing agreement and listing broker represents seller in said transaction, listing broker may be considered the "listing broker" for MLS reporting of sale as long as satisfactory documentation is presented to MLS.

8.17 *Listings of Participants or Subscribers Suspended, Expelled, or Resigned.*

8.17.1 *Due to Failure to Pay.* When a Participant or Subscriber of the MLS is suspended or expelled from the service for failure to pay appropriate MLS fees or charges, or if the Participant or Subscriber resigns from the service, the MLS shall cease to provide services to such Participants or Subscriber, including continued inclusion of listings in the MLS compilation of current listing information. In the event listings are removed from the MLS pursuant to this section, it shall be the sole responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS.

8.17.2 *Violation of MLS Rules.* When a Participant or Subscriber is suspended or expelled from the service for a violation of the MLS rules and regulations, the MLS shall cease to provide services to such Participant or Subscriber except that the listings in the MLS at the time of suspension or expulsion shall, at the suspended or expelled Participant's option, be retained in the MLS compilation of current listing information until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. In the event listings are removed from the MLS pursuant to this section, it shall be the responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS. If a suspended or expelled Participant opts to keep listings in the MLS until sold, withdrawn or expired under this Section 8.20.2, the Participant must comply with all applicable MLS rules and regulations during such time or the MLS may immediately remove the listings from further display.

8.18 *No Control of Commission Rates or Fees Charged by Participants.* The MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-participants.

8.19 *Right of Listing Broker and Presentation of Counter Offers.* The listing broker has the right to participate in the presentation of any counter-offer made by the seller or lessor. The listing broker does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except where the buyer broker is a subagent). However, if the purchaser or lessee gives written instructions to the buyer broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

8.20 Auction Listings. Only auction listings which comply with these MLS Rules and Regulations, including, but not limited to Sections 8.13 and 8.14, may be submitted to the Service. Auction listings entered into the MLS system shall have listing contracts as required under these rules and be clearly labeled as auction listings and provide all the terms and conditions of the auction. The first line of the public remarks must state “This is an auction listing, please call your agent for details.” Auction listings shall further specify the following in agent remarks b-h.

- (b) The date, time and place of the auction;
- (c) All required procedures for Participants/Subscribers to register their representation of a potential bidder;
- (d) The compensation to be paid to the Participant representing the successful bidder; if any;
- (e) The time or manner in which potential bidders may inspect the listed property;
- (f) Whether or not the seller will accept a purchase offer prior to the scheduled auction and if so, the compensation to be paid to the cooperating Participant in the event of such a pre-auction sale as well as any other necessary pre-auction details;
- (g) Any other material rules or procedures for the auction;
- (h) Auction website addresses may not be displayed anywhere outside of private remarks.

8.21 Co-Listings. Only the listings of Participants and Subscribers will be accepted by the MLS. Inclusion of co-listings where the co-listing broker/agent is not a Participant or Subscriber in the MLS is prohibited.

8.22 Days on Market/Cumulative Days on Market Calculation. The calculation of Days on Market (DOM) is based on the listing number assigned to the property by the MLS and is tied to the brokerage firm holding the listing. The calculation of Cumulative Days on Market (CDOM) is based on the Assessor’s Parcel Number (“APN”) until the earlier of a change of ownership or the property is not available for sale and no listing agreement is in effect for a period of 90 days or more. MLS tracking of this field, if any, shall be classified as “non-confidential” for the purpose of allowing Participants and Subscribers to make such information available to clients or customers pursuant to Sections 13.15.1 (Client Copies) and 13.19 (VOWs). [Whether display of this field is permitted for advertising purposes, including IDX display set forth in Section 13.16, is at the discretion of the MLS].

8.23 REO Disclosure. Participants and Subscribers submitting foreclosure, bank-owned or real estate owned (“REO”) listings to the service shall disclose said status upon submission of the listing to the service.

8.24 Short Sale (Lender Approval) Listings. Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing broker.

9. DOCUMENTATION; PERMISSION; ACCURACY OF INFORMATION.

9.1 Listing Agreement and Seller's Permission. Prior to submitting a listing to the service, the listing broker shall obtain the written agreement of the seller expressly granting the listing broker authority to: (1) file the listing with the service for publication and dissemination to those authorized by the MLS; (2) act as a representative for the seller; (3) abide by the rules of the service; (4) provide timely notice of status changes of the listing to the service; (5) provide sales information including selling price to the service upon sale of the property for publication and dissemination to those authorized by the MLS and (6) publish sales information after the final closing of a sales transaction in accordance with these MLS rules (See Section 11.1).

9.2 Listing Agreement Written Documentation. Listing brokers filing listings with the service shall have a written listing agreement with all necessary signatures in their possession. All necessary signatures are those needed to create an enforceable listing, which generally means all named signatories to the listing agreement. In the event there are known additional property owners not made a signatory to the listing, listing broker shall disclose said fact on the service and state whether the listed seller will make the sale contingent on the consent

of the additional property owners. Only listings that create an representation agreement between the seller and the Broker Participant/listing broker are eligible for submission to the service. By inputting a listing to the service, Broker Participant and R.E. Subscribers represent that they have in their possession such written agreements establishing the represented type of listing agreement. The service shall have the right to demand a copy of such written listing agreements and verify the listing's existence and adequacy at any time. The service shall also have the right to demand a copy of seller's written authorization required under these rules. If the Broker Participant or R.E. Subscriber fails to provide documentation requested by the service within 24 hours, the service shall have the right to immediately withdraw any listings from the data base in addition to disciplining the Participant and Subscriber for a violation of MLS rules.

9.3 Buyer Broker Agreement. All MLS Participants and R.E. Subscribers working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include: (1) a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined to the extent that the Participant will receive compensation from any source; (2) the amount of compensation in a manner that is objectively ascertainable and not open-ended; (3) a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and (4) a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable.

9.4 Buyer Broker Agreement Written Documentation. The service shall have the right to demand from an MLS Participant a copy of any written buyer broker agreement satisfying the requirements of Rule 8.3 whenever an MLS Participant or R.E. Subscriber working with the buyer tours a property listing in the MLS. If the Broker Participant or R.E. Subscriber failed to provide the agreement requested by the service within 1 day after the service's request or if the agreement provided to the service does not include all the terms required in Rule 8.3, the service shall have the right to discipline the Participant or Subscriber for a violation of MLS Rules.

9.5 Required Consumer Disclosures Regarding Compensation. Participants and Subscribers must disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any, ad except those documents that are government-specified). Participants and Subscribers, in representing sellers, must also conspicuously disclose in writing to sellers, and obtain the seller's authority for, any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This discloser must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay another broker acting for buyers.

9.6 Accuracy of Information; Responsibility for Accuracy. By inputting information into the MLS computer database, the listing broker represents that the information input is accurate to the best of the listing broker's knowledge. The listing broker shall use good faith efforts to determine the accuracy of the information and shall not submit or input information which the listing broker knows to be inaccurate. The listing broker shall, immediately upon receipt of the first publication or electronic transfer by the MLS of such listing information, verify the correctness and make all necessary corrections. The MLS merely publishes the MLS information and has no affirmative responsibility to verify the accuracy of the MLS information. The MLS, however, reserves the right to require Participants and Subscribers to change their MLS information if the MLS is made aware of alleged inaccuracies in the MLS information and the MLS determines that such inaccuracies do in fact exist. The MLS also reserves the right to remove a listing that contains said inaccurate information from the MLS compilation of current listings should Participant or Subscriber refuse or fail to timely correct. A Participant or Subscriber is required to correct inaccurate information within 2 days after being notified of inaccuracies by the MLS. If a Participant or Subscriber fails to make necessary or required corrections to their MLS information, the Participant and Subscriber shall indemnify and hold harmless the service for any claims, costs, damage or losses, including reasonable attorney fees and court costs, incurred by the MLS as a result of such failure. In no event will the MLS be liable to any MLS participant, subscriber or any other party for any indirect, special or consequential damages arising out of any information published in the MLS and any other damages shall be limited to the return of the listing fee to the listing broker.

9.7 Input Defined. All references or uses of the work “input” shall also include information which is submitted to the MLS for input in the MLS data base by the MLS staff, whether such information was provided to the MLS staff on a “property data form” or otherwise.

9.8 Buyer, Seller, Purchase and Sale Defined. Except as provided in Sections 8.5 and 8.6 and Sections 9.3 and 9.4 all references to the seller shall also include lessor. All references to a buyer shall also include lessee. All references to a purchase shall also include a lease. All references to a sale shall also include a lease.

10. SELLING PROCEDURES.

10.1 Showings and Negotiations. Appointments for showings and negotiations with the seller for the purchase of listed property filed with the service shall be conducted through the listing broker except under the following circumstances:

- (a) the listing broker gives the buyer broker specific authority to show and/or negotiate directly, or
- (b) after reasonable effort and no less than 24 hours, the buyer broker cannot contact the listing broker or his representative. However, the listing broker, at his option, may preclude such direct negotiations by the buyer broker by giving notice to all participants through the MLS.

In the event the listing broker is having all showings and negotiations conducted solely by the seller, the listing broker shall clearly set forth such fact in the listing information published by the service.

10.2 Disclosing the Existence of Offers. Listing brokers, in response to inquiries from buyers or buyer brokers, shall, with the sellers’ approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a buyer broker.

10.3 Availability to Show or Inspect. Listing brokers shall not misrepresent the availability of access to show or inspect a listed property. It will be a violation of this section in the event showings or tours occur on a property for which listing broker has selected a Section 10 status indicating that there will be no showings.

10.4 Presentation of Offers. The listing broker must make arrangements to present the offer as soon as possible, or give the buyer broker a satisfactory reason for not doing so. If a seller(s)/landlord(s) has directed that offers are not to be presented for any length of time, seller’s direction authorizing such arrangement shall be in writing, and listing broker shall provide clear and accurate notice of the date/time of presentation of offers as set forth in the written instruction to Participants and Subscribers in the MLS. In the event a listing broker will not be participating in the presentation of offers, the listing broker shall clearly indicate this fact and it shall be disseminated to all participants by the service.

10.5 Submission of Offers and Counter-Offers. The listing broker shall submit to the seller/landlord all offers until closing unless precluded by law, governmental rule or expressly instructed in writing by the seller /landlord otherwise. If requested by buyer broker in writing, listing broker shall provide buyer broker with listing broker’s written verification that buyer broker’s offer was presented (or a written notification that the seller has waived the obligation to have the offer presented), said verification to be provided to buyer broker within 3 days of buyer broker’s request. The buyer broker acting for buyer/tenant, shall submit to buyer/tenant all offers and counteroffers until acceptance.

10.6 Right of Buyer Broker in Presentation of Offer. The buyer broker has the right to participate in the presentation of any offer to purchase he secures. The buyer broker does not have the right to be present at any discussion or evaluation of that offer by the seller and the listing broker. However, if the seller has given written instructions to the listing broker requesting that the buyer broker not be present when an offer the buyer broker secured is presented, the buyer broker shall convey the offer to the listing broker for presentation. In such event, the buyer broker shall have the right to receive a copy of the seller's written instructions. Nothing in this section diminishes or restricts the listing broker’s right to control the establishment of appointments for offer presentations.

Where the buyer broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. *(Adopted 11/19)*

10.7 Buyer Broker as Purchaser. If a buyer broker wishes to acquire an interest in property listed with a listing broker, such contemplated interest shall be disclosed to the listing broker prior to the time an offer to purchase is submitted to the listing broker.

10.8 Physical Presence of Participant or Subscriber. A Participant or Subscriber must be physically present on the property at all times when providing access to a listed property unless the Seller or Seller's agent has consented otherwise.

On-Market Statuses (Marketing/Advertising Is Occurring)

(a) Active (A): A valid listing contract exists and no offer (with or without contingencies) has been accepted. This is an On-Market status.

(b) Active Under Contract (Pending (C): See 8.10 Contingencies

Off-Market Statuses (Marketing/Advertising Is Not Occurring)

(e) Withdrawn (W): A valid listing contract is in effect, however, because of various reasons such as repairs, illness, guests, etc., the Seller has requested that temporarily there be no showings and no marketing for a minimum of 30 days. This is an Off-Market status.

(f) Pending (P): The Seller has accepted an offer and is not soliciting further offers through the MLS. This is an Off-Market status (however any incidental remaining marketing is not a violation of said status).

(h) Canceled (C): The listing agreement has been canceled in writing, with or without post-cancellation carryover commission rights. This is an Off-Market status.

(i) Expired (E): The listing agreement has expired. The time frame of the existing listing contract has run out. This is an Off-Market status.

(j) Sold (S): Escrow has closed. This is an Off-Market status.

(k) Leased (L): The property has been leased. This is an Off-Market status.

11.2 Reporting of Sales. Listings with accepted offers shall be reported to the MLS or input into the MLS database as "pending" or "active under contract" within forty-eight (48) hours of the acceptance by the listing broker unless the negotiations were carried on under Section 10.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the "pending" status within forty-eight (48) hours after acceptance, whereby the listing broker shall then report or input the status change to the MLS within forty-eight (48) hours of receiving notice from the buyer broker. The listing shall be published on the MLS as "pending" or "active under contract" with no price or terms prior to the final closing. Upon final closing, the listing broker shall report or input the listing in the MLS as "sold" and report the selling price within seventy-two (72) hours of the final closing date unless the negotiations were carried on under Section 10.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the "sold" status and selling price within seventy-two (72) hours after the final closing date, whereby the listing broker shall then report or input the status change and selling price to the MLS within seventy-two (72) hours of receiving notice from the buyer broker. Listings which were not input into the MLS as a result of the seller's instructions may be input into the MLS "sold" data at the listing broker's option. Additionally, an MLS may accept the reporting of sales information solely for comp purposes about other properties which were not otherwise eligible for input into the MLS but are located in the MLS's primary geographic service area and "sold" by a MLS Participant and/or Subscriber who represented the underlying property owner (i.e. broker who represented the seller or broker who represented the buyer), as long as such reporting is authorized by the underlying property owner to the broker who represented it, (documentation of which must be presented to

MLS, if requested by the MLS), and the circumstances of the representation are disclosed on the service by the reporting participant or subscriber. Any discretionary submission of sales information must occur within 30 days after close of escrow.

11.3 Removal of Listings for Refusal/Failure to Timely Report Status Changes. The MLS is authorized to remove any listing from the MLS compilation of current listings where the Participant or Subscriber has refused or failed to timely report status changes. Prior to the removal of any listing from the MLS, the Participant and/or Subscriber shall be advised of the intended removal so the Participant and/or Subscriber can advise his or her client(s).

11.4 Reporting Cancellation of Pending Sale. The listing broker shall report the cancellation of any pending sale within 2 days after cancellation occurs, and the listing shall be reinstated immediately as long there is still a valid listing.

11.5 Refusal to Sell. If the seller of any listed property filed with the service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all participants by stating so in the agent remarks.

11.6 Reporting Concessions. A seller concession is when value is credited back to the buyer at close of escrow. The concession can be in the form of a credit (\$) as part of buyer closing costs, or a credit (\$) back to buyer for a repair item. The buyer receives compensation in the form of cash or a credit that is not reflected in the purchase price. Dollar amount and comments must be included in the remarks.

12. OWNERSHIP OF MULTIPLE LISTING SERVICE COMPILATIONS AND COPYRIGHTS; DATA RIGHTS AND RESPONSIBILITIES OF THE SERVICE.

12.1 MLS Compilation Defined. The term "MLS compilation" includes, but is not limited to, the MLS computer data base and all data and content therein, including but not limited to photographs, images (including maps), graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, statistics and other details or information related to listed property, all printouts of data and content from the MLS computer database, and all MLS publications. The MLS Compilation is protected by all applicable intellectual property laws.

12.2 Active Listing MLS Compilation Defined. "Active listing MLS compilation" shall mean that section of the MLS compilation which includes listings currently for sale and all other indexes and other information relating to the current listing information.

12.3 Comparable Data MLS Compilation Defined. "Comparable data MLS compilation" shall mean that portion of the MLS compilation that includes the off-market data, sold and appraisal information regarding properties that are not currently for sale and all indexes and information relating to the sold information compilation.

12.4 Authority to Put Listings in MLS Compilation. By submitting any property listing content (e.g., photographs, images, graphics, audio and video recordings virtual tours, drawings, renderings or any other representation, descriptions, remarks narratives, pricing information, and other details or information related to listed property) to the MLS or inputting listing information into the MLS compilation, Participants and Subscribers represent and warrant that he has been authorized to grant license and also thereby do grant authority for and license the Association to include the property listing content in its copyrighted MLS compilation. By submitting any property listing data form to the MLS, the Participant and Subscriber represent and warrant that they have been authorized to report information about the sales, price and terms of a listing, have authority to grant and also thereby do grant authority for the MLS to include the sold information in its copyrighted MLS compilation.

12.5 Photographs on the MLS. By submitting photographs / images, including but not limited to photographs,

images, graphics, audio and video recordings, virtual tours, drawings, renderings or any other representations (collectively referenced in these Rules as photographs and or images) to the MLS, the Participant and/or Subscriber represents and warrants that he or she either owns the right to reproduce and display such photographs or has procured such rights from the appropriate party, and has the authority to grant and hereby grants the MLS and the other Participants and Subscribers the right to reproduce and display the photographs in accordance with these rules and regulations. Use of photographs by a subsequent listing agent requires prior written authorization from the originating listing agent or other appropriate party with the legal right to reproduce and display such photographs. A \$100.00 per listing fee will be assessed for listing's that use another agent's photos without permission. Except by the MLS for purposes of protecting its rights under Section 12.6, branding of photographs and or images, virtual tours or any other photographic representation with any information or additional images, including but not limited to photographs displaying "for sale" signs posted on the property, is prohibited. At least one (1) photo or graphic image accurately displaying the listed property (except where sellers expressly direct that photographs of their property not appear in MLS compilations) is required when listing is added to the MLS. The MLS reserves the right to remove any non-compliant photographs and or images from MLS display should Participant or Subscriber refuse or fail to bring said photographs and or images into compliance with the requirements of the rule after being notified and instructed to correct by the MLS.

12.5.1 New Construction Photos. There needs to be a sketch, map, elevation plan, or photo of the lot input into the MLS system. Upon close of escrow, a photo has to be input showing the finished product.

12.5.2 Virtual Renovations. Virtual renovation is the process of using 3D design to update structural elements of a home like flooring/paint changes, kitchen remodels, drywall/ceiling updates, backyard improvements and other permanent fixtures. Photographs that have been virtually renovated are prohibited in the MLS.

12.5.3 Virtual Staging. Virtual Staging means adding virtual unattached furnishings and decor of realistic size to property photos to give perspective on room dimensions and/or to increase appeal. Photographs that have been virtually staged must be clearly marked with an image-sized watermark that states "Virtually Staged." The virtually staged photo must be followed by an image depicting the true unaltered image.

12.6 Copyright Ownership. All right, title, and interest in each copy of every MLS compilation created and copyrighted by the Association, and in the copyrights therein, shall at all times remain vested in the Association. The Association shall have the right to license such compilations or portions thereof to any entity pursuant to terms agreed upon by the Board of Directors.

12.7 Licensing of MLS Compilations. Each Participant shall be entitled to license from the Association the number of copies of each MLS compilation of active listing and comparable data information sufficient to provide the participant and subscriber with one copy of such MLS compilation. Participants and Subscribers shall acquire by such license only the right to use the MLS compilations in accordance with these rules. Clerical Users may have access to the information solely under the direction and supervision of the Participant or Subscriber. Clerical Users may not provide any MLS compilation or information to persons other than the Participant or the Subscriber under whom the clerical user is registered, unless under the direction of the Participant or Subscriber.

12.8 Database Preservation. No data may be removed from the MLS compilation other than by the service. Although a listing may be removed from display in the MLS compilation of current listing information, all data submitted to the MLS will remain in the database for historical and other purposes approved by the service (unless the service itself removes said data in accordance with other provisions of these rules).

12.9 Removal of and Responsibility for Content. The MLS has the right, but not the obligation, to reject, pull down, restrict publication of, access to or availability of content the MLS in good faith considers to be obscene, lewd, lascivious, filthy, excessively violent, harassing, unlawful or otherwise objectionable. Participants and Subscribers remain solely responsible and liable for the content they provide. In no case will any monitoring or removal of Participants' or Subscribers' content by the MLS make it responsible or liable for such content.

12.10 Data Privacy. By participation in the service, Participants and Subscribers represent and warrant that they have given all lawfully required privacy notices and opt-out rights to their respective seller and buyer clients whose

personal information, as defined in the California Consumer Privacy Act (“CCPA”), may be submitted or included in the MLS compilation. C.A.R. Standard Form CCPA may be used to satisfy the notice requirements set forth in this rule, but if an alternate document is used, it must show that required privacy notices and opt-out rights have been given. All Participants and Subscribers are required to comply with this rule’s notice requirements regardless of whether they are considered a “business” or “third party” or otherwise under the CCPA. The service shall have the right to demand a copy of written verification that such lawfully required privacy notices and opt-out rights have been given at any time. If the Participant or Subscriber fails to provide documentation requested by the service within 1 day after the service’s request, the service shall have the right to immediately withdraw any listings from the data base in addition to disciplining the Participant and Subscriber for a violation of MLS rules.

[**DISCLAIMER AND IMPORTANT ADVISORY NOTE: As already outlined in the Introductory section outlining the revisions in this current set of Model MLS Rules, the CCPA will present additional ongoing compliance challenges for the industry – adoption of these rules alone do not resolve everything. In particular, an MLS which meets the definition of a covered “Business” under the CCPA will have burdens beyond those which can be addressed by these Model Rules changes and should work with counsel to establish an overall system for compliance. A specific area of note regarding the rule above that appears in the proposed Attorney General Regs {999.305(d)} (which are not yet final at the time of publication of this Model Rule set) would additionally require an MLS that is a covered Business to obtain a signed attestation from the source of consumer personal information, meaning from the participant or subscriber submitting consumer’s personal information, that the consumer was given the pre-collection notice a addition to the requirements outlined in 12.10 above, provide an “I attest” signing function for submitting agent with a means to attach a copy of said notice given); such attestations would have to be retained for 2 years.**]

In the event the MLS receives a consumer opt-out or deletion request, the MLS reserves the right to remove or delete personal information as may be, in its discretion, necessary to satisfy or otherwise accommodate the CCPA. The MLS’s obligation to do so will vary given the circumstances and the extent to which the MLS is covered by the CCPA, thus the MLS also reserves the right to reject what it determines are unfounded or non-mandated opt-out or deletion requests, if any.

12.11 Indemnification; Limitation of Liability. Participant and Subscriber shall defend, indemnify and hold harmless the service and every other Participant and Subscriber from and against any liability, claims, costs, damage or losses, including reasonable attorney fees and court costs, resulting from or arising out of any content Participant and/or Subscriber submit to or in any way wrongfully reproduce from the Service. In no event will the MLS be liable to any MLS Participant, Subscriber or any other party for any indirect, special or consequential damages arising out of any information published in the MLS and all other damages shall be limited to an amount not to exceed the MLS fees paid by the listing broker.

12.12 Pursuing Complaints of Unauthorized Use of Listing Content. MLS Participants and Subscribers may not take legal action against another Participant or Subscriber for alleged rules violation(s) unless the complaining Participant or Subscriber has first exhausted the remedies provided in these rules.

(a) Notice. Any Participant or Subscriber who believes another Participant or Subscriber has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No Participant or Subscriber may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this section of the MLS rules.

(b) Response. Upon receiving a notice, the applicable Committee/Board of Directors will send the notice to the Participant or Subscriber who is accused of unauthorized use. Within ten (10) days from receipt, the Participant or Subscriber must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Committee/Board of Directors that the use is authorized. Any proof submitted will be considered by the Committee/Board of Directors, and a decision of whether it establishes authority to

use the listing content will be made within thirty (30) days.

(c) Determination. If the Committee/Board of Directors determines that the use of the content was unauthorized, the Committee/Board of Directors may issue sanctions pursuant to the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

(d) Court Action If Uncured. If after ten (10) days following transmittal of the Committee's/Board of Director's determination the alleged violation remains uncured (i.e., the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

12.13 Participant Access and Entitlement to Their Own Listing Information; Data Portability. The service must, upon request, promptly provide a Participant (or the Participant's designee) a data feed containing, at minimum, all active MLS listing content input into the MLS by or on behalf of the Participant and all of the Participant's off-market listing content available in the MLS system. The delivery charges for the Participant's listing content shall be reasonably related to the actual costs incurred by the MLS. The data feed must be in compliance with the prevailing RESO (Real Estate Standards Organization) standards required by NAR MLS Policy. The service will not limit the use of the Participant's listing content by the Participant or the Participant's designee.

12.14 Data Feed Available to Participants. The service must offer a Participant a single data feed in accordance with a Participant's licensed authorized uses. At the request of a Participant, the service must provide the single data feed for that Participant's licensed uses to that Participant's designee. The designee may use the single data feed only to facilitate that Participant's licensed uses on behalf of that Participant.

12.15 Brokerage Back Office Data Feeds. The service must provide to Participants the Brokerage Back Office Data for use subject to the terms below:

"Brokerage Back Office Data" means all real property listing and roster information in the MLS database, including all listings of all Participants, but excludes (i) MLS only fields (those fields only visible to MLS staff and the listing Participant), and (ii) fields and content to which MLS does not have a sufficient license for use in the Brokerage Back Office Feed.

Participant and Subscribers affiliated with the Participant can use the Brokerage Back Office Feed data for the following purposes:

- Brokerage management systems that only expose Brokerage Back Office Data to the Participant and Subscribers affiliated with the Participant.
- Customer relationship management (CRM) and transaction management tools that only expose the Brokerage Back Office Data to the Participant, Subscribers affiliated with the Participant, and their bona fide clients as established under state law.
- Agent and brokerage productivity and ranking tools and reports that only expose Brokerage Back Office Data to the Participant and Subscribers affiliated with the Participant.
- Marketplace statistical analysis and reports in conformance with NAR MLS Policy Statement 7.80, which allows for certain public distribution.

Brokerage Back Office Data use may only be made by the Participant and any Subscriber affiliated with the Participant, except that at the request of a Participant, the MLS must provide Brokerage Back Office Data to that Participant's designee. The designee may use the Brokerage Back Office Data only to facilitate the Brokerage Back Office Data use on behalf of that Participant and its affiliated Subscribers.

There is no option for Participants to opt out their listings from the Brokerage Back Office Data feed use as defined.

The service may impose reasonable licensing provisions and fees related to a Participant's license to use the Brokerage Back Office Data. The service may require the Participant's designee to sign the same or a separate and different license agreement from what is signed by the Participant.

12.16 Prohibition on Creating a Platform for Making Offers of Compensation from Multiple Brokers. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and shall result in the termination of that Participant's or Subscribers access to any MLS data and feeds.

13. PROHIBITIONS AND REQUIREMENTS.

13.1 Notification of California Department of Real Estate (DRE) or California Bureau of Real Estate Appraisers (BREA) Action. A Participant and Subscriber are required to notify the MLS within 24 hours of any final action taken by the DRE or the OREA against the Participant, Subscriber or any licensee affiliated with the Participant or Subscriber including, but not limited to any final decisions restricting, suspending or revoking a real estate license or Appraisers certification or license of a Participant, the Participant's firm or corporation under which the Participant or Subscriber acts, or any licensee affiliated with the Participant or the Participant's firm or licensee or Appraiser who was affiliated with the Participant or Participant's firm at the time of the underlying act.

13.2 Violations of the Law. A Participant, Subscriber, or Appraiser or a licensee affiliated with a Participant or Subscriber shall not commit a felony or a crime involving moral turpitude or violate the Real Estate Law or the laws relating to Appraisers, the Participant and Subscriber shall be in violation of this section. However, a Participant or Subscriber shall not be found to have violated this section unless the Participant, Subscriber, Appraiser or salesperson licensed to the Participant has been convicted, adjudged, or otherwise recorded as guilty by a final judgment of any court of competent jurisdiction of (1) a felony, or (2) a crime involving moral turpitude, or (3) on a determination by any court of competent jurisdiction, or official of the State of California authorized to make the determination, that the Participant or Subscriber violated a provision of the California Real Estate Law or a Regulation of the Real Estate Commissioner or law relating to Appraisers.

13.3 Supervision of Licensees and Appraisers. In addition to the notification requirements of paragraph 13.1, a Participant may not allow any licensee, under the Participant's license, whose license has been revoked, suspended or restricted by the California Department of Real Estate to use the MLS in any manner while the DRE discipline is in effect except that the licensee may be able to use the MLS under a restricted license providing such use is consistent with and does not violate such license restrictions.

13.4 Solicitation of Listing Filed with the MLS. Participants and Subscribers shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the N.A.R. Code of Ethics, its Standards of Practice, and its Case Interpretations. The purpose of this section is to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited through unwanted phone calls, visits, and communications, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration. This section is also intended to encourage brokers to participate in the service by assuring them that other Participants and Subscribers will not attempt to persuade the seller to breach the listing agreement or to interfere with the listing broker's attempts to market the property. This section does not preclude solicitation of listings under circumstances otherwise permitted under Article 16 of the N.A.R. Code of Ethics, its Standards of Practice, and its Case Interpretations.

13.5 Misuse of Remarks. Information in the public remarks shall only relate to the marketing, description and condition of the property. No contact information is permitted, including names, phone or fax numbers, email addresses or website addresses (including virtual tours and transaction tracking URLs). No showing instructions are permitted, including references to lockbox, alarm, gate or other security codes, or the occupancy of the property (a statement that the property shall be delivered vacant is not a violation of this section). No information directed toward real estate agents or brokers may be shown in public remarks. No information other than the marketing, description and condition of the property is permitted. Participants and

Subscribers may not use the remarks in a property data profile sheet or listing submitted to the MLS or inputted directly into the MLS database for purposes of disparaging other real estate agents or conveying information about other offices or for conveying any other information that does not directly relate to the marketing of the listing. By submitting remarks to the MLS, Participant and/or Subscriber represents and warrants he or she has the authority to grant, and hereby grants the MLS and the other Participants and Subscribers the right to reproduce and display the remarks in accordance with these rules. Copying of remarks by a subsequent listing agent for use in his or her own listing requires prior written authorization from the originating listing agent or other appropriate party with the legal right to reproduce and display such remarks.

13.5.1 Remarks - Listing Content and Fair Housing Laws. All listing information, including all remarks, submitted to the MLS must be in compliance with fair housing laws. The MLS monitors listing content and employs a process for identifying potential violations of fair housing laws. Should potential fair housing law violations be identified, Participants and Subscribers will be advised to immediately remove or correct such potential violations. Failure to remove or correct may subject Participants and Subscribers to discipline and/or subject the listing to immediate removal from display.

13.6 "For Sale" Signs. Only the "For Sale" signs of the listing broker may be placed on the property.

13.7 "Sold" Signs and Use of the Term "Sold." Only Brokers Participants or R.E. Subscribers who participated in the transaction as the listing broker or buyer broker (selling broker) may claim to have "sold" the property. Prior to closing, a buyer broker may post a "sold" sign on a property only with the consent of the listing broker. This section does not, however, prohibit any broker from advertising a permissible subset of allowable listing content regarding the properties that have sold in a neighborhood after the information regarding the properties has been published as long as the advertisement does not imply the agent was involved in the transaction unless such is the case and as long as the advertisement otherwise presents a "true picture" as is meant under Article 12 of the N.A.R. Code of Ethics, its Standards of Practice and its Case Interpretations. Allowable listing content may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there is a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

13.8 Advertising of Listing Filed with the MLS. A listing shall not be advertised by any Participant or Subscriber, other than the listing broker, without the prior consent of the listing broker except as provided in sections 13.8.1 relating to the Printed Neighborhood Market Report and sections 13.8.2, 13.16 and 13.19 relating to display of listings on the internet. All advertising of listings by Participants and Subscribers using digital or social media must comply with the listing attribution rules set forth in Section 13.8.3

13.8.1 Advertising of Listing in Printed Neighborhood Market Report. Subject to the conditions set forth in (a) through (c) below, as well as throughout these Rules, Participants and Subscribers may include the listings of others in their printed "Neighborhood Market Reports." The "Neighborhood Market Report" is defined as an advertising and/or information sheet (typically appearing in the form of a postcard, flier or newsletter) compiled by and/or for use by a licensee which sets forth a list of home activity in a particular neighborhood area. Advertising appearing in newspapers, magazines or other classified forms is not included in the definition of "Neighborhood Market Report" and is not authorized by this Rule 13.8.1.

(a) **Consent.** The listing brokers' consent for such advertising is presumed, in satisfaction of Rule 13.8, unless a listing broker affirmatively notifies the MLS that the listing broker refuses to permit others to advertise his listing in the "Neighborhood Market Report" (i.e. "opts-out") either on a blanket or listing by listing basis. Listing brokers that refuse to permit other Broker Participants or R.E. Subscribers to advertise their listings on a blanket basis may not display the listings of the other brokers' listings in their own "Neighborhood Market Reports". Even where listing brokers have given blanket authority for other Broker Participants and R.E. Subscribers to advertise their listings in the "Neighborhood Market Report", such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited it. Participants and Subscribers are not permitted to include listings in their

Neighborhood Market Report from which listing broker has opted out and will be responsible for verifying that they have permission to advertise all listings contained in their Neighborhood Market Reports.

(b) **Listing Attribution.** All listings in the “Neighborhood Market Report” must identify the name of the listing firm(s) and the name of the listing agent(s) in a manner designed to easily identify such listing firm(s) or agent(s). Such identification shall be in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data.

(c) **Allowable Listing Content.** Broker Participants and R.E. Subscribers may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there’s a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

13.8.2 Permission to Advertise a Participant’s Listing in Digital and Social Media. Participants and Subscribers must have permission from the listing broker or agent before advertising a listing in social or digital media. Listing brokers and agents are encouraged to discuss displays of listing information by other MLS Participants and Subscribers (including social media posts) with their seller clients to determine if the seller clients wish to provide permission for such displays. If the seller client consents, the listing broker or agent may provide blanket permission for other MLS Participants and Subscribers to advertise a listing online in the listing’s private remarks. Consent for digital display of a listing pursuant to Rules 13.16 and 12.19 is presumed but can be revoked as provided for in those Rules.

13.8.3 Listing Attribution in Digital and Social Media Advertising. When publicly presenting or marketing another Participant’s listing in digital and/or social media, Participants and Subscribers must identify the listing firm and listing agent in the advertisement. The listing attribution language must meet all of the requirements subsequently stated in this Rule (except for advertising done pursuant to Rules 13.16 and 13.19, which must follow the listing attribution requirements stated in those Rules):

- (a) **Contact Information.** Any listing advertised by a Participant or Subscriber must include the listing agent’s contact information. However, the listing broker has the option of providing different contact information in the MLS if the listing broker wishes to do so.
- (b) **Prominence.** Listing attribution language must be clear and legible, and it must not be hidden by the use of small font, non-contrasting font color, or other means that would make it hard for a consumer to discern who the listing agent and broker are. Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count).
- (c) **Calls to Action.** Any “call to action” near an advertised listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.
- (d) **Proper Phraseology.** Any listing attribution must use the phrase “Listed by” or “Listing [broker/agent]” instead of “Presented by” or phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any. Listing attribution on social media advertising must follow one of the following three formats: (1) “Listed by [agent] of [brokerage]” followed by contact information (name or phone number); (2) “Listed by [tag listing agent]; or (3) “Listed by [link to an IDX or VOW display of the listing].”

- (e) **Displays of Minimum Listing Information.** Displays of minimum listing information (e.g., a one-line or thumbnail search result, text messages, “tweets”, audio, etc. Of a two hundred (200) characters or less) must, when practicable, link directly to an IDX or VOW display of the listing.

13.9 Limitations on Use of Association or MLS Information in Advertising. Except as provided in Sections 13.7, 13.8, 13.11 and 13.15, truthful use of information from the MLS compilations of current listing information, from the Association’s statistical reports, or from any “sold” or “comparable” report of the association or MLS may be used by MLS participants as the basis for aggregated demonstrations of market share or comparisons of firms in public mass-media advertising by an MLS Participant or Subscriber or in other public representations for purposes of demonstrating market share is not prohibited. However, any print or non-print forms of advertising or other forms of public representations must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice in a manner readily visible to consumers but not less than 7pt type: “Based on information from the Humboldt Association of REALTORS® (alternatively, from the Humboldt MLS) for the period (date) through (date). Display of MLS data is deemed reliable but is not guaranteed accurate by the MLS.”

Based on information from the _____ /Association of REALTORS® (alternatively, from the _____MLS) as of _____(date the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.

13.10 False or Misleading Advertising and Representations; True Picture Standard of Conduct. Participants and Subscribers may not engage in false or misleading advertising, including, but not limited to, advertisements or representations regarding the Participant's or Subscriber's relationship to the service, about the service itself, or about any property listed with the service. Participants and Subscribers may not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the Participant or Subscriber will receive no financial compensation from any source for those services.

MLS participants and subscribers shall present a true picture in their advertising and representations to the public, including internet content, images and the URLs and domain names they use, and participants and subscribers may not:

- (a) engage in deceptive or unauthorized framing of real estate brokerage websites;
- (b) manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result;
- (c) deceptively use metatags, keywords or other devices/methods to direct, drive, or divert Internet traffic;
- (d) present content developed by others without either attribution or without permission; or
- (e) otherwise mislead consumers, including use of misleading images.

13.11 Use of MLS Information. In recognition that the purpose of the MLS is to market properties to and foster cooperation with other Broker Participants and R.E. Subscribers for the sole purpose of selling the property, and that sellers of properties filed with the service have not given permission to disseminate the information for any other purpose, Participants and Subscribers are expressly prohibited from using MLS listing information for any purpose other than to market property to bonafide prospective purchasers or to support market evaluations or appraisals as specifically allowed by Sections 13.14, 13.15, 13.16 and 13.19. Any use of MLS information inconsistent with these Sections is expressly prohibited. Nothing in this Section, however, shall limit the Association from entering into licensing agreements with MLS Participants and Subscribers or other third parties for use of the MLS information.

13.12 Confidentiality of MLS Information. Any information provided by the service to the Participants and Subscribers shall be considered and treated confidential and exclusively for the use of Participants and Subscribers for purposes described in Sections 2, 13.7, 13.11, 13.14, 13.15, 13.16, 13.19 and this section. Participants and Subscribers shall at all times maintain control over and responsibility for each copy of any MLS compilation leased to them by the Association and shall not distribute any such copies to persons other than

Participants and Subscribers. Participants and Subscribers are responsible for the security of their pass codes and subscribers shall not give or allow use of or make available their pass codes to any person. Participants and Subscribers may reproduce or display the information as provided in these rules.

13.12.1 Password Fine. Anyone proven to be giving out their MLS password to any non-MLS Participants or Subscriber (clerical/public/anyone not paying for access) will be fined \$1,000.00. If a Participant or Subscriber notifies staff of the rule violation, either the member or the MLS Committee can file the complaint. If a Clerical User violates the rule, the fine would be assessed to the Broker Participants or Subscriber who employs that Clerical User.

13.12.2 Clerical Users. Clerical Users may have access to the MLS information solely under the direction and supervision of the Participant or Subscriber. Clerical Users may not provide any MLS information to persons other than the Participant or Subscriber under whom they are registered, unless under the direction of the Participant or Subscriber. Access by Clerical Users to the data base is solely for clerical and administrative functions for the Participant or Subscriber under whom the Clerical User is registered.

13.13 Access to Comparable and Statistical Information. Association members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the service, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including 'comparable' information, 'sold' information, and statistical reports. This information is provided for the exclusive use of Association members and individuals affiliated with Association members who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm except as otherwise specified in these rules and regulations.

13.14 Display. Subject to sections 13.15, 13.16 and 13.19, Broker Participants and R.E. Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bonafide prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing and able buyers for the properties described in said MLS compilation. Broker Participants and R.E. Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bonafide sellers or prospective sellers only in conjunction with their ordinary business activities in listing properties. Broker Participants and R.E. Subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent. Appraiser Participants and Appraiser Subscribers shall be permitted to display the MLS compilation to the person requesting the appraisal only in conjunction with their ordinary business activities of producing a written appraisal. Such displays under this Section shall be only in the immediate presence of the MLS Participant or Subscriber.

13.14.1 Clerical Users. Unless under the direction of the Participant or Subscriber, Clerical Users are expressly prohibited from displaying or distributing MLS information to anyone other than the Participant or Subscribers under whom the Clerical User is registered.

13.15 Reproduction. "Reproduction" shall include but not be limited to, making photocopies, computer printouts, electronic transfers (including email), or downloading of MLS data or compilations. Participants and Subscribers or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof except as provided in Section 13.16, 13.19 and in the following limited circumstances:

13.15.1 Copies to Prospective Purchasers. Broker Participants and R.E. Subscribers may reproduce from the MLS compilation, and distribute to prospective real estate purchasers, copies of those portions of the MLS compilation consisting only of a description of the property, including the address, features, financing and price. Such "client copies" shall also comply with the following:

- (a) Permissible MLS data may be augmented with additional data not otherwise prohibited from display, provided the source of any additional data is clearly identified.
- (b) All listings shall identify the name of the listing firm and listing agent in a readily visible color in a reasonably prominent location and in typeface not smaller than the median typeface used in the display of listing data.
- (c) No more than 200 of current listings and 200 of sold listings may be provided in response

to any inquiry.

- (d) A disclaimer statement shall be made in a manner readily visible to consumers but not less than 7pt type that contains the following:

****Listing Broker and agents DO NOT guarantee the information in this MLS Listing is accurate. It is the duty of any person, buyer or entity using this MLS listing to exercise due diligence to independently verify this information**.**

13.15.2 Information Prohibited from Reproduction/Confidential Fields. Unless the Participant or Subscriber obtains prior written consent from the listing broker, the information reproduced pursuant to this section shall not include the following:

- (a) Property owner's name, phone number, and address (if different than the listed property);
- (b) Instructions or remarks intended for buyer brokers, including but not limited to showing instructions or security references (ex: lockbox, burglar alarm or security system, vacancies) regarding the listed property;
- (c) Type of listing;
- (d) Compensation or bonuses offered to buyer brokers;
- (e) Expired or withdrawn listings;
- (f) Other information that goes beyond a description of the property.

13.15.3 Copies for Appraisals. Participants and Subscribers may reproduce from the MLS compilation and attach to an appraisal as supporting documentation of those portions of the MLS compilation consisting only of such information on properties necessary to support a written appraisal or estimate of value on a particular property.

13.15.4 Downloading into Computers. Participants and Subscribers may download MLS information into a computer or computer system as long as:

- (a) Access to the computer or computer system receiving the information is strictly limited to authorized Participants, Subscribers and Clerical Users as defined in these rules; and
- (b) The information is only retransmitted to the Participants, Subscribers and Clerical Users authorized to access the computer or computer system by these rules; and
- (c) The information is not reformatted or used to create another product except as may be used by the Participant or Subscriber who downloaded the data and such use strictly complies with sections 13.7, 13.11, 13.15, and 13.19.

13.15.5 Sold Information. Individuals legitimately in possession of current listing information, "sold" information, "comparables" or statistical information may utilize such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

13.16 Use of Listing Information on Internet. (Also known as Internet Data Exchange ("IDX"). "Internet Data Exchange" ("IDX") is a means by which listing brokers permit limited electronic display and delivery of their active and pending listing data, in accordance with the IDX rules set forth herein, by other participating Broker Participants and real estate subscribers Via the following authorized mediums under said Broker Participants and R.E. Subscribers control: websites, mobile apps and audio devices. As used throughout this policy, "display" includes "delivery" of such listings.

(a) Authorization. Subject to paragraphs (b) through (s) below, and notwithstanding anything in these rules and regulations to the contrary, Broker Participants and R.E. Subscribers may electronically display aggregated MLS active and pending listing information through either downloading or by framing such information on the MLS or Association's public access website (if such a site is available). The MLS's download will include publicly accessible sold listing data starting from January 1, 2012. "Publicly accessible" sold information as used in the IDX policy and rules, means data that is available electronically or in hard copy to the public from city, county, state and other government records.

(b) Consent. The listing broker's consent for such internet display is presumed, in satisfaction of Rule 13.8, unless a listing broker affirmatively notifies the MLS that the listing broker refuses to permit display on either a blanket or on a listing-by-listing basis. Listing brokers that refuse to permit other Broker Participants or R.E. Subscribers to display their listing information on a blanket basis may not display MLS active listings of other brokers' listings. Even where listing brokers have given blanket authority for other Broker Participants and R.E. Subscribers to partake in IDX display of their listings, such consent may be withdrawn on a listing-by-listing basis where the seller has affirmatively directed that their listing or their property address not appear on the Internet or other electronic forms of display or distribution.

(c) Control. Broker Participants and R.E. Subscribers may only partake in IDX display on websites, applications for mobile devices and audio devices which they control. Under IDX policy, "control" means that Broker Participants and R.E. Subscribers must have the ability to add, delete, modify and update information as required by the IDX policy. All displays of IDX listings must also be under the actual and apparent control of the Broker Participant and/or R.E. Subscriber, and must be presented to the public as being that Broker Participants and/or R.E. Subscribers display. Actual control requires that Broker Participants and R.E. Subscribers have developed the display, or caused the display to be developed for themselves pursuant to an agreement giving the Broker Participant and/or R.E. Subscriber authority to determine what listings will be displayed, and how those listings will be displayed. Apparent control requires that a reasonable consumer receiving the Broker Participants and/or R.E. Subscribers display will understand the display is the Broker Participants and/or R.E. Subscribers, and that the display is controlled by the Broker Participant and/or R.E. Subscriber.

(d) Display Content. Broker Participants and R.E. Subscribers shall not display confidential information fields, as determined by the MLS in the MLS's sole discretion, such as that information intended for buyer brokers rather than consumers.

(e) Listing Attribution. All IDX listing displays shall identify the name of the listing firm, and the email or phone number provided by the listing Participant, and the name of the listing agent in a manner designed to easily identify such listing firm or agent. Such identification shall be in a reasonably prominent location and provide clear, conspicuous written or verbal identification of the name of the listing firm and listing agent, and the email or phone number provided by the listing Participant. Listing attribution language must be clear and legible, and it must not be hidden by the use of small font size, non-contrasting font color, or other means that would make it hard for a consumer to discern who the listing agent and broker are. Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count). Any listing attribution must use the phrase "Listed by" or "listing [broker/agent]" instead of "Presented by" or other phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, "tweets", etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.

(f) Modifications and Augmentations. Broker Participants and R.E. Subscribers shall not modify or manipulate information relating to other participants listings. Broker Participants and R.E. Subscribers may augment their IDX display of MLS data with applicable property information from other sources to

appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

(g) Source and Update. Information displayed shall indicate the MLS as the source of the information being displayed and the most recent date updated. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, “tweets”, etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application. Broker Participants and R.E. Subscribers shall update all downloads and refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 12 hours.

(h) Usage Limitations. Broker Participants and R.E. Subscribers shall indicate on their displays that the information being provided is for consumer’s personal, non-commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, “tweets”, etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.

(i) Display Purpose. Broker Participants and R.E. Subscribers may not use IDX-provided listings for any purpose other than display as provided in these rules. This does not require Broker Participants and R.E. Subscribers to prevent indexing of IDX listings by recognized search engines.

(j) Restricted Display. Listings, including property addresses, can be included in IDX display except where sellers have directed their listing brokers to withhold their listings or the listings’ property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs).

(k) Selective Listing Display. Not all listings from the MLS must be displayed as long as any exclusions from display on Broker Participants’ and R.E. Subscribers’ IDX sites are based on objective criteria, e.g., type of property, listed price, listing status or geographical location. Selection of listings displayed on any IDX site must be independently made by each Participant.

(l) Restricted Access and Distribution. Sharing of the MLS compilation with any third party not authorized by the MLS is prohibited. Except as provided in the IDX policy and these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide or make any portion of the MLS database available to any person or entity.

(m) Brokerage Identification. Any IDX display controlled by a Broker Participant or R.E. Subscriber must provide clear conspicuous written or verbal identification the name of the brokerage firm under which they operate

(n) Co-Mingling. A Broker Participant or R.E. Subscriber may co-mingle listings through IDX from this MLS with listings from other MLS sources on its IDX display, provided all such displays are consistent with these IDX rules, and the MLS Participant (or MLS subscriber) holds participatory rights in those MLSs. Co-mingling is the ability for a visitor to the website to execute a single property search of multiple IDX feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. Listings obtained from other MLSs must display the source from which each such listing was obtained. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, “tweets”, etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked

directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.

(o) Third Party Comments and Automated Value Estimates. Any IDX display controlled by a Broker Participant or R.E. Subscriber that (a) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (b) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, shall disable or discontinue either or both of those features as to the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Broker Participants' and R.E. Subscribers. Except for the foregoing and subject to section (p) below, a Broker Participant or R.E. Subscribers IDX display may communicate the Broker Participant or R.E. Subscribers' professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its viewers that a particular feature has been disabled at the request of the seller.

(p) Making Corrections. Broker Participants and R.E. Subscribers shall maintain a means (e.g., email address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of Broker Participants and R.E. Subscribers beyond that supplied by the MLS and that relates to a specific property. Broker Participants and R.E. Subscribers shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the Broker Participant and R.E. Subscribers shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

(q) Search Result Limitation. Broker Participants and R.E. Subscribers shall limit the number of listings that a viewer may view, retrieve, or download to not more than 500 in response to any inquiry.

(Note: The number of listings that a viewer may view, retrieve, or download should be specified by the MLS in the context of this rule but may not be fewer than 500 listings or 50% of the listings in the MLS, whichever is less)

(r) Advertising. Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the broker Participant and/or R.E. Subscriber's logo and contact information is larger than that of any third party. Any "call to action" near an advertised listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.

(s) Disclaimer. Broker Participants and R.E. Subscribers shall indicate on their displays, in a manner readily visible to consumers but not less than 7pt type, the following, or substantially similar, notice:

Based on information from the _____/Association of REALTORS® (alternatively, from the _____MLS) as of _____ (date the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.

Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, "tweets", etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes the required disclosure. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.

13.16.1 Notification by Authorized Participants and Subscribers. Broker Participants and R.E. Subscribers

partaking in the display of IDX information of other brokers' listings pursuant to Section 13.16 must notify the MLS before displaying said IDX information and must give the MLS direct access as well as allow access for other MLS participants for purposes of monitoring/ensuring compliance with applicable rules and policies.

13.16.2 Right to Charge for Download. The MLS has the right to charge the costs of adding or enhancing its downloading capacity to Participants and R.E. Subscribers who request downloading of listing information pursuant to Section 13.16.

13.16.3 Listing Broker's Right to Opt Out of Internet Advertising of MLS Information. If the Association advertises MLS information on the Internet or licenses MLS information for advertising on the Internet, the listing broker also shall have the right to opt out of such advertising in accordance with the MLS's procedures for opting out. The listing broker shall have the right to refuse to have listings displayed on a blanket basis or on a listing-by-listing basis in accordance with Section 13.16 by affirmatively notifying the MLS in accordance with the MLS procedures for opting out. Notwithstanding anything in these rules and regulations to the contrary, the Association reserves the right to determine whether to provide Internet advertising services and whether such services are to be made available to non-Association members.

13.17 Website Name and Status Disclosure. MLS Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner. Websites of Subscribers affiliated with a Participant's firm shall disclose the firm's name and the Subscriber's state(s) of licensure in a reasonable and readily apparent matter.

13.18 Use of the Terms MLS and Multiple Listing Services. No MLS Participant or Subscriber shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants and Subscribers shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to Participants and Subscribers. This does not prohibit Participants and Subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

13.19 Virtual Office Websites ("VOW").

[Coinciding NATIONAL ASSOCIATION OF REALTORS® VOW Policy ("VOW Policy"), available [here](#), is adopted and incorporated herein]

Section 13.19.1 (a): A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant (i.e., Subscriber) may, with his or her Participant's consent, operate a VOW. Any VOW of a Subscriber is subject to the Participant's oversight, supervision and accountability.

(b) As used in Section 13.19 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees (i.e., Subscribers) except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a Participant, by a Subscriber, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.

(c) "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

(d) As used in Section 13.19 of these Rules, the term “MLS Listing Information” refers to active listing information and non-confidential pending and sold data provided by participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 13.19.2 (a): The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

(b) Subject to the provisions of the VOW Policy and these Rules, a participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information or functions, e.g. Internet Data Exchange (“IDX”) as set forth in Rule 13.16.

(c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 13.19.3 (a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

(i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

(ii) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

(iii) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.

(b) The Participant must assure that each Registrant’s password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

(c) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

- i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
- ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;
- iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

- iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided

except in connection with the Registrant's consideration of the purchase or sale of an individual property;

- v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participant's listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 13.19.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant (i.e., subscriber), must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 13.19.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

(NOTE: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

Section 13.19.6 (a): A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option a or Option b

- a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

- b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

initials of seller

(c) The Participant shall retain such forms for at least one year from the date they are signed, or one year from

the date the listing goes off the market, whichever is greater.

Section 13.19.7 (a): Subject to subsection (b), a Participant's VOW may allow third-parties (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

(b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 13.19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 13.19.8: A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 13.19.9: A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 13.19.10: Except as provided in these rules, the VOW Policy or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 13.19.11: A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 13.19.12: A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property.

Section 13.19.13: A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy and any other applicable MLS rules or policies.

Section 13.19.14: A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AP operate other VOW's on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 13.19.15: A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- (a) Expired, withdrawn, or pending ("under contract") listings.
- (b) The type of listing agreement, i.e., exclusive right to sell or reserve.
- (c) The seller's and occupant's names(s), phone number(s), or e-mail address(es).
- (d) Instructions or remarks intended for buyer brokers only, such as those regarding showings or security of listed property.

Section 13.19.16: A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS

rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on Vows or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 13.19.17: A Participant shall cause to be placed on his or her VOW in a font size and style no smaller than the average used elsewhere in the display, the following, or substantially similar notice:

Based on information from the Humboldt Association of Realtors® (alternatively, from the Humboldt MLS) as of _____ (date the AOR/MLS data was obtained). MLS Listing Information displayed on the VOW is usually deemed reliable but is NOT guaranteed accurate by the MLS. Buyers are responsible for verifying the accuracy of all information and should investigate the data themselves or retain appropriate professionals. Information from sources other than the Listing Agent may have been included in the MLS data. Unless otherwise specified in writing, Broker/Agent has not and will not verify any information obtained from other sources. The Broker/Agent providing the information contained herein may or may not have been the Listing and/or Selling Agent.

Section 13.19.18: A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm and the listing broker or agent, and the email or phone number provided by listing Participant, in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. Listing attribution information must appear on the first screen that a viewer sees for a listing or with the property description information (i.e., in close proximity to the bedroom and bathroom count). Any listing attribution must the phrase “Listed by” or “Listing [broker/agent]” instead of “Presented by” or other phraseology that does not clearly distinguish between identification of the listing broker and agent and identification of the advertising agent, if any.

Section 13.19.19: A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry.

(NOTE: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than 90 days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently.)

Section 13.19.20 A Participant shall require that Registrants’ passwords be reconfirmed or changed every 90 days.

(Note: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than 90 days. Participants may, at their option, require Agent to reconfirm or change passwords more frequently.)

Section 13.19.21: A Participant may display advertising and the identification of other entities (“co-branding”) on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant’s logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. Any “call to action” near an advertising listing, such as a button permitting the viewer to contact an agent, must clearly identify whether the action (e.g., clicking the button) will put the viewer in contact with the listing agent or broker or with an advertising agent.

Section 13.19.22: A Participant shall cause any listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 13.19.23: A Participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

Section 13.19.24: Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 13.19.25: Where a seller affirmatively directs their listing broker to withhold the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 48 hours.

13.20 Applicability of Rules to MLS or Association. Nothing in these rules shall limit the right of the A.O.R. or MLS to enter into licensing agreements with third parties for use of the MLS compilations or any portion thereof in accordance with terms approved by the Board of Directors.

13.21 Participant and Subscriber Standards of Conduct. The services that Participants and Subscribers provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

Participants and Subscribers shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth.

14. LOCKBOXES.

14.1 Eligibility for Lockboxes. MLS Participants and Subscribers are eligible for lockbox privileges if they otherwise qualify under this section. Clerical Users are not eligible for lockbox privileges. MLS Participants and Subscribers shall be eligible to have a SentiKey Mobile App account (defined as an electronic key, programmer, or another device by which a lockbox can be opened) provided:

The MLS is not obligated to provide service on SentiKey Mobile App or lockboxes to individuals who are not the registered lessee or owner of the component. Lockbox access may only be used for the purpose of facilitating the sale or lease of a listed property, unless other use if authorized by the listing agent.

14.2.1 Use of Lockbox Contents. Participants and Subscribers shall at all times follow the showing instructions published in the MLS. Participants and Subscribers shall not remove contents of the lockbox for purposes other than showing the home and shall promptly return the contents to the lockbox upon exiting the property. Participants and Subscribers shall keep lockbox contents in their possession at all times after removal from the lockbox. The lockbox and/or contents shall not be removed from the property site without prior consent from the listing agent.

14.2.2 Lockbox Requirements. If any lockbox or other device giving access to On Market listed property for real estate professionals and/or service providers is authorized by the seller and/or occupant and is placed on or present on property listed through the Service, such lockbox or device must be one that is approved by the MLS where the listing has been submitted. The authorized lockboxes sold by, leased by or otherwise offered through the local Association or MLS where the listing is submitted have been approved by the MLS. Unless expressly indicated otherwise by the MLS, for any other lockbox or device to be considered “approved,” use of it must provide reasonable, timely access to listed property such that (1) it allows all participants and subscribers timely access to listed property by reliance solely on data submitted to and residing on the MLS; (2) complete, accurate and stand-alone instructions are provided for accessing the listed property in the appropriate agent section on the Service; and (3) it ensures that the lockbox or device will provide reasonable access to listed property with any information, code or SentiKey Mobile App needed to access the contents of the lockbox or device to be made available or access to the property otherwise scheduled within four [4] hours of initial contact in the event the lockbox or device requires the participating member to obtain additional information to enable access (ex: “call listing agent for entry code”) with said 4 hour response obligation in effect every day from 8am to 6pm. The MLS reserves the right to require that the device be submitted in advance for approval. The MLS also may revoke the approval and/or subject the participant to discipline if the device is used in a manner that fails to continue to satisfy this requirement. Failure to provide reasonable and timely access as required by this section will subject the listing agent to discipline and potential fines. More than one lockbox or access device may be used on a property as long as one of them is -approved where the listing is submitted.

14.2.3 Issuing Temporary Codes. Listing broker or agent can issue temporary codes/access to the lockbox and property on terms and conditions agreed to in advance by the seller. Temporary codes/access must expire within seventy-two (72) hours after being issued or must be under the control of the listing broker or agent. Temporary codes must be a minimum field size of five (5) characters. (XX,XXX).

14.4 Listing Broker's Permission. No Participant or Subscriber may enter a property with or without a lockbox without the listing broker's permission. Such permission may be granted by the listing broker specifying permission to use the lockbox through the MLS. 14.5 Rules Violations. Failure to abide by rules relating to lockboxes as set forth in this section or failure to abide by the SentiKey Authorized User Agreement may result in discipline as provided in sections 15 and 16 of these rules, in addition to loss of or restriction on all lockbox and SentiKey Mobile App privileges.

14.6 Right to Limit Access. The MLS reserves the right to refuse to issue, activate or reactivate a SentiKey Mobile App account or terminate an existing SentiKey Authorized User Agreement or otherwise limit access to lockboxes if, in its sole discretion, it determines the security of the system would be compromised by sharing SentiKey Mobile App passwords or granting access to lockboxes.

14.7 Removal. The lockbox must be removed within three (3) days after the close of escrow or expiration/cancellation of the listing.

14.8 Appointment to Access Listings. The listing information form contains showing instructions. If appointments are required by the seller, they should be made through the listing agent, seller, tenant, or seller's representative as per the listing information form. No listing requiring an appointment to show may be shown without an appointment. Should an individual show a listing requiring an appointment without following the

written appointment procedure, they shall be assessed a \$50.00 fine.

14.9 Accessing Listings. If a listing agent/owner/resident requires notice of who entered the property, it must be stated in the MLS Access Instructions by directing agents to leave a signed, dated and timed business card or to sign a Showing Checklist. Individuals violating this requirement shall be assessed a \$25.00 fine. Promotional materials are prohibited.

14.10 Failure to Replace Residential Keys in Lockbox. Keys to residence must be replaced into the lockbox before leaving the property. If the keys are taken from the property by the individual, that property is effectively off the market. Individuals will be assessed a fine of \$25.00 plus re-keying the house if requested by the owner.

14.11 Securing a Property. Members shall ensure that all doors to the listed property to which the Member has had access and the lockboxes thereon are locked, unless otherwise instructed.

14.12 SentiKey Access Sharing. Should a lockbox access holder willfully loan or give their SentiKey access credentials and/or security information to another, the security of the system shall have been compromised. Sharing your access credentials in any way is in violation of your contract and subjects you to one or more of the following actions at the discretion of the MLS Committee:

- a) \$1,000 fine for username/password violation.
- b) Loss of SentiKey access.
- c) Court costs and attorney fees.
